Video: Hierarchies

(Caption will be displayed when you start playing the video.)

I'm watching TV,

or "I'm really starving and I should go eat."

Again, Fred tells me which speak() method to do.

And that's really nice, because I

don't get confused about which behavior I want to have.

💬 **My computer blew up**   1
I wrote all the above code on my ide and it worked fine. But then i added the fox subclass along …
